

BRIGITTE C03 / 2010

The frame is made of 3 x 3 cm tubes. The cabinet is made of finer wood; one can choose from oak, cherry and walnut. The wood can be stained and lacquered. The handle is made of casted metal. Sand casting is a traditional process of handcrafting; characteristics are are pores and irregularities. The product is available in different materials and finishes and can be tailor-made to the needs of the customer.
