

GHYCZY

## GARDEN EGG CHAIR / 1968

Peter Ghyczy Icon. Armchair, white lacquered plastic with tonus fabric. Historically known as one of the first chairs made with Polyurethane. Earlier named GN1. The chair's exterior is hard enough to withstand all weather conditions, while on the inside a soft cushioned section promotes comfort. Worthy of interior use, suitable for outdoors. The product is available in different materials and finishes and can be tailor-made to the needs of the customer.

### Standard configuration

**Fabric** tonus from KVADRAT

Standard version RAL 9003 with high gloss 3625,-

**Other dimensions**  
not possible
