## DE

Unsere Spiegel sind ein Juwel der Kunst und Ästhetik, für diejenigen, die lieben, sich mit Objekten von großem Wert zu umgeben. Die Schnitzereien, reich und verführerisch, werden von Meisterhandwerkern gemacht. Sie können Winkel in Ihrem Haus schaffen, die in der Lage sein werden, den ersten Blick zu fangen. Die Blätter werden durch Akanthusblätter, Frieze, Blumendekorationen und spezielle Oberflächen in Gold- und Silberblatt angereichert.

## ENG

Our mirrors are a jewel of art and aesthetics, for those who love to surround themselves with objects of great value. The carvings, rich and seductive, are made by master craftsmen. You can create angles in your home that will be able to catch the first glance. The scrolls are enriched by acanthus leaves, friezes, floral decorations and special finishes in gold and silver leaf.

## ITA

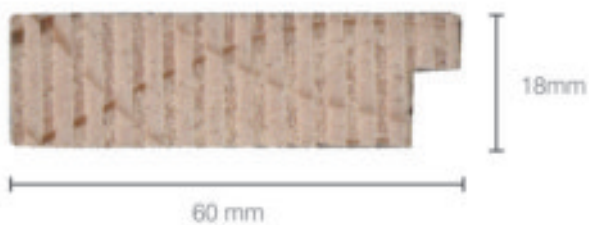

Le nostre specchiere sono un gioiello di arte ed estetica, dedicato a chi ama circondarsi di oggetti di gran pregio. Gli intagli, ricchi e seducenti, sono realizzati da maestri artigiani. Potrai creare angoli nella tua casa che saranno in grado di catturare al primo sguardo. Le volute si arricchiscono di foglie d'acanto, di fregi, di decorazioni floreali e di particolari rifiniture in foglia d'oro e d'argento.
